SUSAN KUZNITSKY:

“MY LOVE AFFAIR WITH PASTELS II”

FIRST THURSDAY EVENING DEMO, JULY 7TH. DOORS OPEN WITH CRITIQUE AT 6 PM DEMO AT 7 PM

SUSAN KUZNITSKY: “ONCE UPON A TIME”

“Here I am still in love with pastels and back with more reasons I believe they are the best medium to learn about color and value. Whether I am working in the studio or out on location, I love how pastels allow me to quickly capture the mood of my subject.” *Susan Kuznitsky*

Susan will demonstrate a mixed media approach to pastel painting using sanded paper and an underpainting. Watch her create a beautiful rich and luminous effect by building up layers from dark to light, using a variety of hard and soft pastels and pastel pencils. Susan will show you how to simplify your palette by value, and how to translate that value into both your pastel painting and other mediums. This is especially helpful in creating interesting color in shadows. Pastels are also a great medium for learning how to handle edges. Watch this accomplished artist demonstrate how and why she establishes the center of interest first, and then builds the painting around it.

This demonstration will be useful to artists already using pastels, as well as artists that have been curious, but haven't experienced this fantastic medium. Check out Susan's website:

CYDETTE MARSHALL:

“PAINTING WITH EGG TEMPERA”

2ND THURSDAY DEMO, JULY 14TH,
DEMO AT 11 AM, BUFFET LUNCH AT 12:15 PM

Egg tempera is not a common form of painting these days though it is an accessible and affordable way to paint. It has deep historical significance dating back to its usage in Ancient Egypt. Egg tempera has a different look than other painting mediums allowing for many rapid-drying layers to be added, showing depth and ethereal interest. Cydette Marshall will demonstrate the mixing and usage of egg tempera, as well as examples of her own lustrous work to show it's unique qualities and how you can apply them in your own work.

Cydette has a Bachelors of Fine Art from University of Illinois at Urbana-Champaign and a Masters in Associated Medical Sciences in Biomedical Visualization from the University of Illinois, Chicago. She has exhibited her work in the United States and Japan. Join Cydette and learn something new during this interesting demonstration. Visit her website:

PRESIDENT'S MESSAGE

"Sumer is icumen in," and bringing with it a fresh array of classes and workshops to OSA.

Ward Stroud, a local expert on Brusho, will present a workshop on July 14th and 15th. OSA instructor Harold Walkup will offer a workshop on water media from July 21st

to the 23rd.

Randall Vemer will be teaching a class on "Beginning Classical Figure Drawing – Simplified for Kids and Adults" beginning July 5th. Randall is a new instructor at OSA, and has a special commitment to this important area of artistic development. OSA is pleased to welcome back Nancy Klos who is teaching three classes this summer. The first two will begin on June 22nd and on June 24th with "Beginning and Intermediate Oil Painting". A third offering from Nancy will be an "Instructional Studio for Oil Painters," also beginning June 24th.

On June 5th the new Rose Festival Exhibit opened with a reception at OSA. It's the latest collaboration with the Rose Festival in our wonderful, 80 year relationship. Special thanks to Jennifer Bliesner for chairing this exciting exhibit and to all the artists who participated in the show. Congratulations to the prize winners whose works will be displayed on the OSA Facebook site by the time you read this newsletter. Eric Sandgren, a distinguished painter and printmaker from Aberdeen, Washington, juried this show. He is a unique Northwest artist, with a very special connection to our "rain coast" from Mendocino to Sitka. He will be returning to OSA teaching a workshop on "color, light and space – working with acrylics and water media" in late September.

Susan Kuznitsky was awarded the commission to paint the portrait of the 2016 Rose Queen by the OSA board. Congratulations to Susan on receiving this honor.

I want to remind everyone that the OSA commitment to the artists of Albertina Kerr did not end with the closing of their wonderful show. We want to continue to collect used or unwanted art supplies, including used frames and tubes of partially used paints. Please drop any supplies you can offer into the special bin in the OSA gallery.

JANE AUKSHUNAS: EXPLORING WITH OIL PASTELS-COLOR, SHAPE, AND TEXTURE

August 13 and 14, 9am - 4pm \$195 All levels welcome

Oil pastel is a vibrant and versatile medium that can be used both for drawing and painting techniques. In this 2-day workshop, students will learn ways to use the medium and explore how oil pastel can be manipulated and adapted to one's own means of expression. As using oil pastel is such a direct process with no brush or color mixing involved, it's easy to be spontaneous and have fun using it. Beginning with simple exercises, Jane will familiarize students with tools and techniques, evolving into a couple of more finished pieces using a variety of surfaces. Visit this Oregon landscape artist's website at janeaukshunas.com to read about her exhibitions, awards, training, and life.

A \$10 storage fee will be assessed on all work left 3 days beyond the close of the exhibit. After 14 days of the close of the exhibit, the artwork will become the property of OSA and will be donated to a charitable organization.

- Collect your art on the closing day of the show to avoid a \$10 storage fee
